The report last night from the Dallas district gave a total of \$45,161,450, or 56 percent of the quota.

SUCCESS OF WAR LOAN IS ENCOURAGING GERMANY

Amsterdam, Holland, April 22.—The reiteration of the German press reports, made an address, Berlin dispatches report, in which he said:

The success of the eighth war loan undoubtedly will help to show our opponents as well as neutrals to what extent a war of attrition has been won around Germany and also to reveal to them the fact that Germany's internal strength remains unbroken. We hope this victory in the financial field will contribute substantially to the attainment of our goal as quickly as possible.

Physicians Explain Why Women Need More Iron in their Blood Today than 20 years Ago

Say Anaemia—Lack of Iron is Greatest Curse to the Health, Strength, Vitality and Beauty of the Modern American Woman.

DR. FERDINAND KING, New York
Physician and Medical Author, says
physicians should prescribe more
iron in the diet of women. He says
the iron deficiency of women is
the cause of many of their ailments.
Dr. King, formerly of Bellevue Hospital
(New York), and the
Westchester County Hospital, Dr.
A. J. Newman, formerly of Bellevue
Hospital, and other physicians
who have thoroughly tested
the value of Nuxated Iron.

Any woman who tires easily, is nervous, or irritable, or looks pale, haggard, and worn should at once have her blood examined for iron. The iron deficiency of women is the cause of many of their ailments.

"There can be no strong, healthy, beautiful, rosy-cheeked woman without iron," says Dr. Ferdinand King, a New York physician and Medical Author. "I have strongly emphasized the fact that doctors should prescribe more iron in the diet of women. The iron deficiency of women is the cause of many of their ailments."

"In the most common foods of America, the starches, sugars, white syrups, candies, polished rice, white bread, soda crackers, biscuits, macaroni, spaghetti, tapioca, sago, farina, degenerated cornmeal, no longer is iron to be found. The refining process has removed the iron from Mother Earth from these impoverished foods, and silly methods of home cooking, by throwing down the waste pipe the iron which our vegetables are cooked, are responsible for another grave iron loss. Therefore, you should supply the iron deficiency in your food by using some form of organic iron. Just as you would use salt when your food has not enough salt."

Dr. A. J. Newman, former Police Surgeon of Chicago, and former Police Surgeon of Jefferson Park Hospital, Chicago, says: "It has been my particular duty during the past six years to assist in keeping Chicago's five thousand blue coats in good health and perfect fighting trim, so that they would be physically able to withstand all manner of storms and ravages of nature's elements. Recently I was prompted to give a special remedy has proven through my own tests of it to excel any preparation I have ever used for creating red blood, building up the nervous system, strengthening the muscles and correcting digestive disorders."

Wednesday Teams to Meet, Check Up, Hear Talks on Trench Life.

Two allied officers, fresh from the trenches in France, will be the guests of honor at the Liberty loan luncheon to be given at Hotel Sheldon Wednesday noon, according to a statement made by chairman R. Burt Orndorff, Tuesday. These officers, one British and the other French, will tell of their experiences on the battlefield.

All of the captains and team members are expected to attend the luncheon, as it will be the last set together meeting that will be held before the final luncheon to be given on May 4, when prizes will be awarded to the winning teams and the total amount subscribed by the El Paso district announced.

It is confidently believed by all interested in the campaign that El Paso subscriptions will exceed the \$1,000,000 mark. Subscriptions are being received daily and W. M. Butler, secretary, says it is certain the subscriptions will be more than \$1,750,000.

Plans for the observance of Liberty day, Friday, in accordance with the request of the president will also be discussed at the luncheon Wednesday. Mr. Orndorff said a parade will probably be held in the afternoon participated in by the team workers, a detachment from Fort Bliss, Boy Scouts and the police.

Scouts Go Cleaning Saturday.

Saturday is the day for the beginning of the Boy Scouts drive for \$15,000. The boys are going out to pick up small subscriptions that have been missed by the committee. Iver G. Thomas, scout executive, said Tuesday he was sure the boys would raise the \$15,000.

The plan of making Friday a holiday will be taken up by the committee. Charles Davis, in any event the stores and principal business houses of the city will be asked to close at noon on Friday so that their clerks may help in observing the day.

Service at Temple Mt. Sinai.

Friday night, at Temple Mt. Sinai, there will be a Liberty service. Rabbi Martin Zelenka and Rev. Dwight J. Bradley will speak on the moral and religious terms of the war. The public is invited to attend the service to consider the deeper aspects of the conflict and the new living.

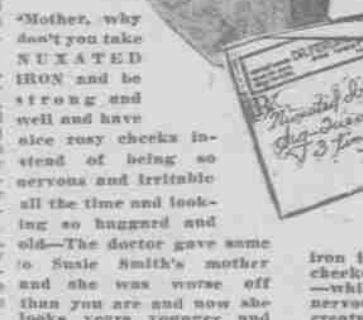

First Honor Flag Here.

An honor flag, three feet by five feet, the first to be received in this city, headquarters of the Liberty loan campaign Tuesday. This flag is just one of the small ones given to the cities that have helped raise the subscription. It is believed a larger one will be received from the district headquarters at Dallas. If, however, a larger one is not to be sent here, it is believed the city of El Paso would have a huge one made to fly from the steel pole in San Jacinto plaza. Mr. Orndorff expects to know by Wednesday if it will be necessary to have a larger one made or if the government will supply one large enough.

WOMAN'S COMPLAINT LEADS TO ARREST OF V. VELASCO

Vicente Velasco, charged with attempt to assault, was arrested at 10:30 Tuesday morning. The alleged assault was reported to the police by Maria Caballero.

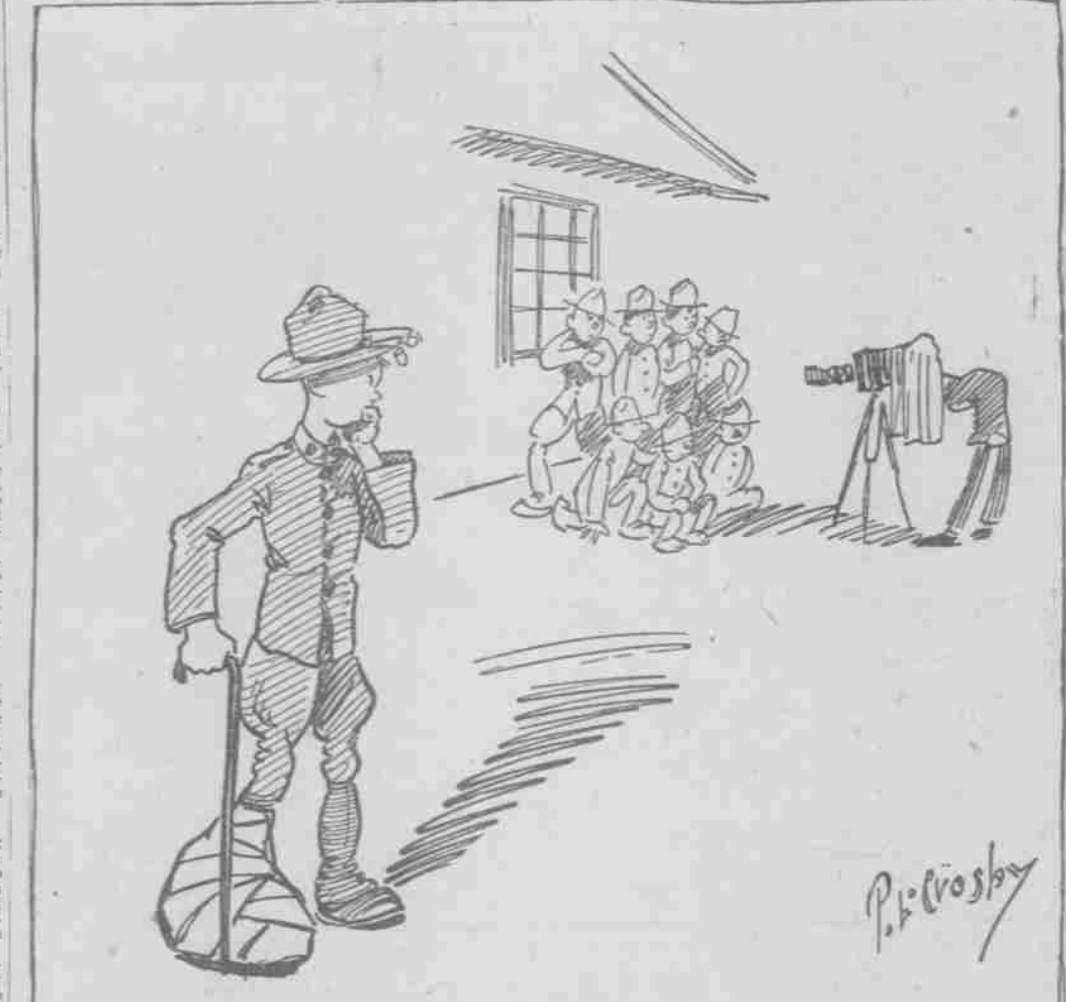

The Child's Appeal—What Is Your Answer.

"Mother, why don't you take NUXATED IRON?" said a little boy to his mother. "I feel weak and nervous and have a headache and my stomach is all wrong and I don't feel like eating. The doctor gave me some medicine and it didn't help. I feel like I am going to die. I want to be strong and healthy like you are. Please give me NUXATED IRON."

ordinarily do not believe in it. But in the case of Nuxated Iron I feel I would be remiss in my duty not to mention it. I have taken it myself and given it to my patients with most surprising and satisfactory results. And those who wish quickly to increase their strength, power and endurance will find it a most remarkable and wonderfully effective remedy.

That Rookie from the 13th Squad By F. L. Crosby

WHY DUBB WASN'T SHOWN IN THE SQUAD PICTURE

No Lightless Nights For The Summer Months
Until Sept. 1, There Will Be No More Lightless Nights In U. S.

There will be no more lightless nights in El Paso for the summer. John M. Wyatt, fuel administrator for El Paso, received a telegram today from Wyley Hall, state fuel administrator, announcing that "at the request of the National Liberty Loan committee and further on account of the daylight saving movement, the fuel administrator, Dr. Garfield, orders the suspension of lightless nights beginning next Thursday, until Sept. 1 next, when the order becomes effective again."

During that period, probably May 1 to 4, the justice will not impose the ordinary fines in cases of violations of the traffic laws, he said Tuesday, and all those found guilty will be ordered to purchase war stamps. The ordinary fine is \$1 and costs, or \$1.50, so that motorists found guilty will have to buy war stamps. In the case of old offenders, however, the purchase of a \$50 bond may be ordered.

Justice A. J. Hall is planning a Liberty loan and war savings stamp drive that is expected to assist considerably in piling up El Paso's over-subscription.

While there may be some legal technicalities to be overcome, it is not expected that anyone will raise objections on this score, as the action would not be considered patriotic by the court, especially since the accused will be required only to invest in government paper.

The drive will mean that Judge Hall and the traffic officers will collect no fees during the week, but all have agreed to this. The only question to be settled is that of the period during which the drive will be under way.

KING WILL BOOST LIBERTY LOAN ALL OVER E. P. S. W. LINE

The endorsement and stimulation of the Liberty loan campaign among the employees of the El Paso & Southwestern railway is the purpose of a general passenger agent, Garnett King, who leaves El Paso Tuesday for a tour of the entire E. P. & S. W. system. Mr. King will visit every railway shop and confer with every official and captain of Liberty loan teams as he goes.

"It is the desire of our company that its employees be 100 percent subscribers to the Liberty loan, and to that end we will exert every influence until the last day of the campaign," said Mr. King. "The Liberty loan is a patriotic duty and a condition to that end we will exert every influence until the last day of the campaign."

The report of the labor commission headed by secretary Wilson, which investigated the Moore case, was received by the El Paso & Southwestern railway. The report was received by the El Paso & Southwestern railway. The report was received by the El Paso & Southwestern railway.
